The duration of the grant performance period will be requested by the recipient agency in their investment justification, reviewed by the peer review panel and confirmed by OHS. **In no case will a grant performance period exceed three years.**

General Provisions

OHS will not approve project fund allocations for any project until the recipient agency provides a project funding plan that demonstrates that the funds are expected to be reasonably available and sufficient to complete the project. OHS will approve funding for useable project segments only if the benefits associated with each individual segment are sufficient to meet the objectives of the program from which the individual segment is funded.

The recipient agency must:

- (A) Provide for the audit of project expenditures and outcomes.
- (B) Identify the useful life of the project as part of the project nomination process.

- (E) If it is anticipated that project cost will exceed the approved project budget, the recipient agency shall provide a plan to the OHS for achieving the benefits of the project by either down-scoping the project to remain within budget or by identifying an alternative funding source to meet the cost increase. The administrative agency may either approve the corrective plan or direct the recipient agency to modify its plan.
- (F) Within six months of the project becoming operable, the recipient agency shall provide a report to the OHS on the final cost of the project as compared to the approved project budget, the project duration as compared to the original project schedule as of the date of allocation, and performance outcomes derived from the project compared to those described in the original application for funding.

The grantee may implement the modifications, and incur associated expenses, **after** receiving **written final approval** of the modification from OHS.

NOTE: Modifications can be requested once per quarter during the grant performance period. Failure to submit modification requests, and receive written approval prior to expenditure could result in a reduction or disallowance of a cost incurred by the recipient agency.

Monitoring Grantee Performance

The state conducts regular grantee monitoring. The monitoring will be conducted on the grantees' administrative, programmatic and fiscal management of the grants.

These reviews may include, but are not limited to, the following:

- 3) Confirming compliance with:
 - a. Grant Assurances.
 - b. Information provided on the performance reports and payment requests.

Important Note

It is the responsibility of all grantees to monitor and audit the grant activities of their subrecipients. This requirement includes, but is not limited, to onsite verification of grant activities as required.

Grantee Performance Reports

Twice a year, grantees must prepare and submit performance reports (Appendix E) to the Governor's Office of Homeland Security (OHS), Transit Security Grant Unit, for the duration of the grant performance period, or until all grant activities are completed and the grant is formally closed. The required form is attached to this guidance (Appendix E). Grantees must complete and submit the required reports using the Office for Domestic Preparedness (ODP) Secure Portal at: <https://www.reporting.odp.dhs.gov>.

Due Dates

Performance reports will be due to OHS on June 30 and December 31.

Final Project Report

Within six months of a project becoming operable, the recipient agency shall provide a report to OHS comparing the final cost of the project to the approved project budget, the project duration as compared to the original project schedule from the date of allocation, and performance outcomes derived from the project compared to those described in the original application for funding.

Suspension or Termination

The state may suspend or terminate grant funding, in whole or in part, or other measures may be imposed for any of the following reasons:

- 1) Failing to expend funds in a timely manner consistent with the grant milestones, guidance, and assurances.
- 2) Failing to comply with the requirements or statutory objectives of state law.
- 3) Failing to make satisfactory progress toward the goals or objectives of state law.
- 4) Failing to make satisfactory progress toward the goals or objectives set forth in the grant application.
- 5) Failing to follow grant agreement requirements or special conditions.
- 6) Proposing or implementing substantial plan changes to the extent that, if originally submitted, the proposed project would not have been approved for funding.
- 7) Failing to submit required reports.
- 8) Filing a false certification in the application or other report or document.
- 9) Failing to adequately manage, monitor, or direct the grant funding activities of their subrecipients.

Before taking action, the state will provide the grantee reasonable notice of intent to impose corrective measures and will make every effort to resolve the problem informally.

Closeout

The state will close a grantee's award after:

- (A) Reviewing a grantee's Final Report (Appendix E) indicating that all approved work has been completed, and all funds have been disbursed.
- (B) Completing a review to confirm the accuracy of reported information.
- (C) Report reconciling actual costs to awards, modifications, and payments.
- (D) Reconciling actual costs to awards, modifications, and payments.

Reconciliation indicates that the grantee:

- 1) If the grantee is owed additional funds, the state will send the final payment automatically to the grantee.
- 2) Did not use all funds received, the state will issue an Invoice or Grant Modification Letter to recover unused funds.

In the **Grant Closeout Letter**, the state will notify the grantee of the start of the record retention period for all programmatic and financial grant-related records.

Note: Failure to maintain all grant records for the required retention period could result in a reduction of eligible grant activities, and an invoice to return costs associated with the unsupported activities.

Payment Request Process

To request reimbursement payment of FY 07-08 CTSGP-IPCR funds, complete a payment request form using the OHS Financial Management Forms Workbook (FMFW) and return it to the appropriate Program Representative in the Transit Security Grant Unit (TSGU) at the Governor's Office of Homeland Security.
